

ABOUT THE FLATHEAD BUILDING ASSOCIATION

The Flathead Building Association (FBA) is a non-profit membership organization with over 40 years of experience dedicated to promoting professionalism, credibility, quality, and vitality in the building industry to the benefit of its members and citizens of Northwest Montana. Through the generous support of our members and other community partners, we promote education, outreach, and safety programs that benefit our community. Your support of this mission allows us to host large-scale events like the annual Home and Garden Showcase as well as support other community initiatives such as food drives, scholarships and the Kalispell Student Built Home program.

We have several different sponsor levels to choose from. We appreciate your sponsorship, and we couldn't make these great programs and initiatives happen without the dedicated support from our members and community partners throughout the Flathead Valley.
